

SIX CORE VALUES

*We Value Relationships,
Transparency, and Respect*

1

Accountability

Hold ourselves and others accountable for our results and actions

2

Honoring Relationships

Results follow trust, collaboration, and mutual respect

3

The Art of Possible

Innovate and encourage boundary breaking thinking

4

Disciplined Flexibility

Be flexible in execution plans and hold firm to targets

5

Resource Stewardship

Be conscious of how we treat the environment, our finances, our community, and our families

6

Transparent Communications

Respectfully communicate openly, honestly, and with purpose

We are passionate about bringing innovative and disruptive products to market that will have a positive impact on the world.

Our team is comprised of proven industry veterans with a track record of technology product commercialization success. We bring best practices from our experience across multiple industries, and leverage the latest technologies to deliver superior results for our customers.
